“Most people today are at least generally aware that drugs are a huge problem in today’s society,” says Julieta Santagostino, President of Drug Free World’s Florida Chapter. “But most do not know that the opioid epidemic is killing more Americans than car accidents. They also do not know how to talk to a teenager about drugs, or how to successfully encourage someone who is addicted to seek help.”

“

Drugs rob life of the sensations and joys which are the only reason for living anyhow.”

L. Ron Hubbard

Seminars are held every Wednesday at 7:00PM at the Foundation for a Drug-Free World information center located at 41 North Fort Harrison Avenue, Clearwater,

Florida, 33755.

The events are always free, and refreshments are served. Youth are encouraged to attend, along with their parents. Contact the center for RSVP at 727-467-6962 or info.fl@drugfreeworld.org.

The Truth About Drugs materials are used by parents, teachers, counselors, law enforcement and many others who work with youth, providing true information to counter the lies and myths found in movies, social media, passed on by friends, and stated by drug dealers.
