

## filmcolorist.com launches

*Independent post house Film Cut Post Production launches its coloring arm filmcolorist.com for picture finishing post production.*

EDINBURGH, SCOTLAND, December 7, 2018 /EINPresswire.com/ -- Film Cut Post Production today announced it has launched its global coloring arm of the company; [filmcolorist.com](http://filmcolorist.com) to handle color work in Film and TV. Matt Williams, Founder and Colorist of filmcolorist.com commented: "[Film Colorist](#) is an exciting venture for us as a company and by far the biggest investment we have made to date. We have built a grading theatre for all of our color work to be done through the online platform to serve the industry across the world. Of course, if clients want to visit the grading theatre they're always welcome (cinema seats included). All our services will be accessible remotely from anywhere in the world."

### ABOUT FILMCOLORIST.COM

filmcolorist.com is a high end [color grading](#) facility for Commercials, Feature Films and Music Videos.
