

Raine and Horne Business Brokers Victoria to Rebrand and Reposition as National Brokers Network

The Raine and Horne Business Brokers Victoria group have announced a rebrand as the National Brokers Network.

WEST MELBOURNE, VICTORIA, AUSTRALIA, December 11, 2018 /EINPresswire.com/ -- Melbourne VIC, 10 December 2018 – Raine and Horne Business Brokers Victoria, a leading real estate and property brokerage firm in Melbourne – announced today that the organization will be rebranding and repositioning its core identity as the [National Brokers Network](#). The decision reflects the organization’s commitment and expertise in providing real estate and brokerage services to businesses and investors not just only in Melbourne, but also across Australia.

“By changing our identity as the National Brokers Network, it allows our group to emphasize our countrywide brokerage practice in business, commercial, real estate and properties,” said a company spokesperson. “As an organisation composed of brokers with a diverse experience in properties and commercial spaces, our move to expand our brokerage services across the country will help connect parties with local and international investors to commercial properties.”

The new National Brokers Network identity includes the organization’s business brokerage services, which has helped connect business owners and business buyers for over a decade, and included are properties on a commercial and residential scale that are listed across Australia’s main cities and upcoming regional areas.

To join the announcement of the organization’s countrywide expansion of its services, the National Brokers Network group will also be servicing international investors in meeting their interest and service requirements.

The rebranded identity is effective immediately, and will be implemented across the organization’s services for the remainder of 2018 and to continue beyond the 2019 financial year.
