

American Made for the Holiday

Small town values and great customer service with nationwide reach.

GETTYSBURG, PA, UNITED STATES, December 12, 2018 /EINPresswire.com/ -- In the continued globalization of our retail shelves, there seems to be an ongoing challenge to find American made products to meet the high standards of the discerning consumer. But in southern Pennsylvania, there is a company that prides itself on making its products in and around its home town of Gettysburg.

Their philosophy is really quite simple; produce high quality products at reasonable prices while providing exceptional customer service. "At [GettysGear](#), we pride ourselves on maintaining the highest production standards on our offering of products that range from coffee, pottery, hand cast aluminum, cigars and more", said Cary Gregory, President. He continued, "you can find a wide array of unique and interesting items made right here in Gettysburg, PA with a 4.76 out of 5 star customer rating."

As an added point of interest if visiting Gettysburg, stop by and see the folks at GettysGear at their "new" downtown location in the 1800's era Carriage House of the Historic [Swope Manor](#) located in the heart of downtown.

“

You just don't see this type of pride in providing customer service anymore. If quality products and service at a fair price are important to you, I highly recommend GettysGear."
