An innovative media services and solutions company in Jordan has adopted MyEasyISO QHSE software

VALLEY COTTAGE, NEW YORK, UNITED STATES, December 16, 2018 /EINPresswire.com/ -- This company with 22 years of experience in out of home, radio, digital and retail content delivery platforms has the ambition to provide quality, health & safety and protection of environment to over millions of people whom they engage in every day. This Jordan-based company keeps on exploring new opportunities to enhance the media scene by providing advertising spaces. The team's passion for media and taking the industry to the next level comprises this company, so they search for cloud-based solution that would provide integrated management systems compliance.

> "
> Everyone in the organization knows how to address process compliance requirements because this MyEasyISO QHSE software is user-friendly, enabling our employees to use it independently and easily"
> *Operations Manager*

They have adopted MyEasyISO QHSE software that will help them achieve its ambition. This software is a robust GRC platform that streamlines QHSE requirements into pre-built modules making it easy to use and reliable. It has a systematic approach to compliance helping the organizations minimize redundancies and optimizes resources and costs.

"Everyone in the organization knows how to address process compliance requirements because this MyEasyISO QHSE software is user-friendly, enabling our employees to use it independently and easily," said Operations Manager.

After using MyEasyISO QHSE software, they were able to save 85% more time on QHSE compliance compared to traditional manual methods. Now they are beneficially receiving the benefits they always wanted from this MyEasyISO QHSE software.

About MyEasyISO

MyEasyISO is a customer first-choice Governance – Risk – Compliance software solution that offers powerful platforms to augment Quality, Environment, Health and Safety management systems. It offers flexible deployment models in the cloud or on-premise for several industries such as aviation, construction, oil and gas, chemical, financial services, healthcare, life sciences, energy and utilities, food and beverage, manufacturing and more.
