

Truffle Gift Set Makes an Elegant Culinary Statement at Christmas

Gourmet Living's custom truffle mill and 2 refill bags makes a great gift for gourmands and foodies who expect a bit more in life.

GREENWICH, CONNECTICUT, UNITED STATES, December 12, 2018 /EINPresswire.com/ -- Gourmet Living's [truffle gift set](#) of a custom acrylic grinder and two refill bags is an elegant Christmas gift for fellow gourmands and "foodies" looking for something special the year round.

Gourmet Living's truffle gift set was introduced earlier this year and has proved quite popular with the culinary crowd. With its colorful packaging, this gift of dried summer truffles brings home the sophisticated aroma of Italian truffles

The truffle mill and two 3-gram bags of truffle refills are currently offered on the Gourmet Living website at the special holiday promotional price of \$39.50 (regularly \$44.50). It is the perfect stocking stuffer or gift for discerning shoppers.

[Tartufi scorzone or summer truffles](#) are found in the foothills of Tuscany, Italy. These truffles are then dehydrated to prevent them from spoiling. Dispensing ground truffles from this custom grinder helps to preserve their distinctive aroma for many months.

“

Delight your culinary friends with the Gourmet Living truffle gift set that will put smiles on your friends throughout the year.”

White and black truffles are one of the great culinary delicacies in the world. Sadly, fresh truffles have a shelf life of around two weeks. Unless one happens to be in Italy or in France during the fall truffle season, you may find yourself out of luck. Preserved truffles allow you to enjoy this aromatic delicacy the year round.

Gourmet Living's owners discovered a small producer near

Florence, Italy who source seasonal dried scorzone truffles for use in a custom truffle mill. The distinctive red and black packaging and labeling makes it an attractive gift for consumers.

Says co-owner Sheila May, "I love the convenience of our truffle mill which I use regularly on

pasta, eggs, and even popcorn to kick up the taste profile. A little bit goes a long way with that distinctive truffle aroma."

Whether you plan to use truffles as an appetizer or as the highlight of the meal, Gourmet Living's truffle gift set is a welcome treat for fellow gourmands. Given its size, this truffle mill gift set is a manageable holiday or hostess gift.
