

Gail Thackray, Female Sex Biz Mogul, Plays Men at Their Own Game: Releases Book Detailing Her Life as a Playboy Model

"Sometimes real life is so absurd, it's hilariously funny, and you just can't make this stuff up," explains Thackray.

LOS ANGELES, CA, UNITED STATES, December 14, 2018 / EINPresswire.com/ -- Gail Thackray shocks the world with her sexy tell-all book, "[Running with Wolves, a Woman's Memoir of Sex, Scandal and Seduction](#)." The book gives an inside look into all aspects in her life: From her time as a Playboy model, to the Hollywood Casting Couch, to a business mogul running a phone sex biz for the mob, to amassing the largest erotic library in the world valued at over \$50 Million Dollars.

In the era of #metoo, Thackray emerges as a strong woman who manages to play the game in a man's world and use it to her advantage. This is not about a woman as a victim, dishing out the dirt on powerful men in Hollywood and the Sex Industry, it's actually a light-hearted, often hilarious look at the real inner workings of a male-dominated-industry and how a young girl is able to pull the strings.

The scope of the book covers years of some of the juiciest topics; from behind-the-scenes on the most notorious players in the sex biz, to the creation of porn on the Internet, to being loaded with massive bank scams, to naked celebs and explosive stories that have never before been revealed. The journey finds Thackray in lots of sticky situations, dodging mob hits and the FBI and occasionally falling in love. Think "Wolf of Wall Street" in the sex biz.

"Sometimes real life is so absurd, it's hilariously funny, and you just can't make this stuff up," explains Thackray.

Thackray created a sexy photo library, shooting for magazines such as Penthouse, Club, and High Society in the 80's and 90's and changed the industry with her own magazine Barely Legal. Her book gives us an intimate look into the real lives of Guccione, Flynt, Hugh Hefner and the wild parties at the Playboy Mansion. At the launch of the Internet, Thackray owned over a million nude images and was the major supplier of naked pics on the web. After this, Mark Hardie of

Forester Research did an evaluation of Thackray's company at \$50 Million dollars.

Thackray reveals her time as a scream queen starlet (aka Gail Harris) and the inner workings of the Hollywood Casting Couch until she finally landed at the respected CAA with Michael Ovitz. She starred in a [slew](#) of Roger Corman B movies and Quentin Tarantino's Personal Favorite "Cell Block Sisters." Today, Thackray is currently in talks with producers to turn her sexy story into a TV series. The first taker on this was originally Harvey Weinstein, one week before his scandal broke out.

"It's raw, it's juicy, it's hilariously funny," concludes Thackray, "for the first time, I'm exposing my past." Thackray wants to empower women and is speaking on "Finding Your Sexiness" at the [Conscious Life Expo in Los Angeles](#) February 22nd.
