

Apollo Med Innovations Announces an Exclusive Distribution Agreement with CryoXcel

Apollo Med Innovations announced that it has signed an exclusive distribution agreement with CryoXcel, a leader in cryotherapy technology made in the USA

PEACHTREE CITY, GA, UNITED STATES, December 17, 2018 /EINPresswire.com/ -- [Apollo Med Innovations, LLC](#) (Apollo) today announced that it has signed an exclusive multi-year distribution agreement with CryoXcel, LLC. CryoXcel is a leader in whole body cryotherapy technology made in the USA and based in Auburn, AL.

“

CryoXcel's whole body cryotherapy chamber met Apollo's standard and unyielding commitment to clinical efficacy, patient outcomes and partner return on investment.”

Randy Wright, CEO, Apollo Med Innovations

“We tested the CryoXcel technology in our company-owned medical spa for several months prior to entering into this agreement” said Randy Wright, CEO, Apollo Med Innovations. “While we explored a number of other options, as we wanted to expand the Apollo product line into the latest in wellness products, CryoXcel passed and exceeded every test. CryoXcel’s whole body cryotherapy

chamber met Apollo’s standard and unyielding commitment to clinical efficacy, patient outcomes and partner return on investment.”

CryoXcel’s unique Degree of Certainty feature allows you to provide sessions at exact temperatures from -50 to -225 so each client discovers the treatment temperature they need. The simple to use digital interface makes creating a custom temperature for each client easy and gives clients a superior rejuvenating experience. CryoXcel is a leader in providing innovative safety features that are engineered to provide safe and comfortable cryotherapy sessions. CryoXcel’s patent-pending CryoFlow is a closed-circuit vortex nitrogen delivery system that incorporates a unique thermal exchange process that allows for an even and safe gas distribution that gets cold quicker and improves gas utilization. CryoXcel saunas are designed for installation into areas with standard 36” doors so they are easy to install and can be moved without having to knock down walls.

“CryoXcel is proud to partner with such an outstanding organization as Apollo Med Innovations” said John Mann, CEO, CryoXcel, “Their commitment to innovation, best practices and world-class education drew us to this partnership and the synergies between the companies have become apparent in a short period of time. Our corporate objectives are aligned and their management and sales staff are dedicated to advancing CryoXcel technology and education to the broadest customer audience possible. We look forward to a long-term mutually beneficial relationship.”
