

# Authentic Olive Wood Serving Pieces from Gourmet Living

*Looking for last minute holiday gifts for home chefs? Gourmet Living has a delightful assortment of rustic wood olive baskets, olive boats and salad claws.*

GREENWICH, CT, UNITED STATES, December 15, 2018 / EINPresswire.com/ -- Looking for some great holiday gifts for that hard to please family member or close friend? Gourmet Living may have the perfect gift. This Christmas, the company has some delightful rustic bread baskets, olive boats and [salad claws](#) made entirely from olive wood. Better yet, Gourmet Living is offering free shipping on all products.

Priced between \$25 and \$45, these olive wood serving pieces are all hand-crafted in Tunisia and add the perfect touch to the holidays. Each piece is unique and carved from a single piece of olive wood. Olive wood is easy to use and the luster can be restored by occasionally touching-up the wood serving pieces with olive oil.

Olive Wood Salad Hands

The [rustic wooden bread basket](#) measures just under 14 inches and is priced at just \$42.50. The olive wood bread bowl is an elegant way to serve baguettes and artisan bread to your guests.

“

Authentic olive wood products make the perfect gift for discerning gourmands.”

*Sheila May, Owner*

The olive boat is a popular favorite for those addicted to olives. Some people use the olive tray for other appetizers, but it is best suited to serve olives.

The salad hands are a recent addition to the Gourmet Living line of products. These short but sturdy salad claws are ideal for mixing salads. Gourmet Living owner, Sheila May notes that "our wooden salad claws have a narrow

tine or 'fingers' which I find essential when mixing a salad. All the 'goodies' seem to drift the bottom of the bowl with most salad hands made from less noble woods."

"These olive wood products will definitely transport you to the 'Old World.' Dine like an Italian with food products that showcase the traditional values of Italian cuisine," add Sheila May.

As with all Gourmet Living products, free shipping is included with your purchase. If one places

an order before December 17, your gift will arrive well before Christmas day. For those looking for other great food gifts, visit the [Gourmet Living store](#) for balsamic vinegar, olive oil, truffles and much more.

In addition to its unique product line which reflects the best of Mediterranean cuisine, the company's website features tested recipes from leading culinary experts from around the world.
