

Enerkon Solar International Inc. Gets ready for 2019 with great news

Enerkon Solar International Inc. (ENKS OTC PINK) is preparing for the new year with plans to Audit and Up-List in order to access USA based Financial Markets

DELRAY BEACH, FLORIDA, UNITED STATES, December 18, 2018 /EINPresswire.com/ -- Enerkon Solar International Inc (ENKS OTC PINK) Chairman, Mr. Benjamin Ballout stated today that

"We are planning to go into 2019 with a new Audit for our financial condition and an up-list to a more liquid market"

Mr. Ballout Stated Further that in addition, [Enerkon Solar International Inc.](#) which has previously not promoted its company very strenuously, this new year we will look towards taking advantage of the New legislation and rules for 144 Reg A+ and possibly seek to file a registration statement under this or other sections and attempt to access the USA capital markets with a target of the maximum capital allowed under that rule or others - the company has not moved before in this regards, due to the fact that it has independent financial support and does not rely on the capital markets for its project financing or operations budget.

Mr Benjamin Ballout CFO

As an international Solar EPC (Utility Scale) Investment and Contracting firm - we have in process and/or in the pipeline Solar Plant Awards of more than 500 MW capacity in East Africa alone.

All activities and projects are going well and we look forward to an expansion of the companies market penetration in both the USA and Africa in 2019 with at target of 1.5 Gigawatt capacity installed before Q4 - 2019.

Mr. Ballout recently made an interview on NEW TO THE STREET at the NASDAQ Building in NYC this past week and will make similar interviews this new year in an effort to educate the public about Enerkon Solar International Inc.
