*Author's Book Is Now Available On Ingram – Time Ripples*

LEXINGTON, MASSACHUSETTS, UNITED STATES OF AMERICA, December 20, 2018 /EINPresswire.com/ -- Writing poems, essays and prose is a great way to be self-indulgent, but more to this is Robert Wellington's attempt to help the readers understand God's great plan, which remains to be a great mystery to most people. In [Time Ripples](#), the people will find a gift of love as they find their way to its pages.

Time Ripples is an adventure of the soul. It is a collection of poetry, prose and essays that address many of the issues and circumstances that people from different walks of life encounter daily. The book is a guide to a journey of a person being a co-creator of his life on earth. People may be confused about their purpose as they are "boundless drops in a boundless ocean" – as described by Kahlil Gibran.

After earning its spot in the literary spotlight, Wellington's book reaches another milestone, as the book is now available on Ingram's Christian Advance Catalogue section. Ingram is a United States-based service provider and has the largest active book inventory with access to 7.5 million titles.

The author endeavours to reach to a wider audience as he spreads the good word of a journey with God being the center of it all. Everyone is invited to visit the Ingram site, as well as his personal website to know more about the author and his works.
