

Titanium Real Estate Network Ranked as #1 RE/MAX Real Estate Team in California

ROSEMEAD, CALIFORNIA, UNITED STATES, December 18, 2018 /EINPresswire.com/ -- Titanium Real Estate, also known as RE/MAX TITANIUM is pleased to announce that they've been placed #1 in California on the Top 100 United States Individuals. What's more, one of their agents, Freeman Wang of RE/MAX TITANIUM, is ranked #59 for the top 100 real estate agents in the United States. The rankings came from RE/MAX World Headquarter for Top 100 United States Individuals Residential from January 2018 to October 2018.

For several years, [Titanium Real Estate Network](#) has presented quality, professional real estate services throughout the California area. This is compiled based on the information given by RE/MAX, a franchisor of the worldwide RE/MAX network. Judging is based on various criteria: growth and size, management capabilities, organizational competencies, and customer references. This year's competition was fierce, along with more applicants than ever before. In spite of this, Titanium Real Estate earned the top ranking in California in the prestigious list.

"Our real estate agents are all professional and experienced to present the highest level of service to the community," said Rudy L. Kusuma, founder of Titanium Real Estate. "Our dedicated team of agents and staff have helped the company grow and accomplish massive success – ranking number one in California. Through our friendly customer support, we've accomplished this remarkable milestone. That is exceptional, and we are extremely honored to help a lot of people throughout the area," he added.

They sell over 20x more homes than an average agent. Because they sell so many more homes than their competitors, financially there are extra things the company can do for clients that other real estate agents and brokers don't offer. A client's home will get far more exposure. Their home will be exposed to buyers in a much larger area nationally and internationally. Plus, a house will sell fast and for top dollars because of their unique and exclusive consumer programs.

The real estate team in California is pleased that the dedication and hard work of their agents in providing incredible service to their clients is famous by a highly respected organization like RE/MAX. The leading position of Titanium Real Estate Network shows their massive potential for continued growth and development.
