ORLANDO, FLORIDA, UNITED STATES, December 18, 2018 / EINPresswire.com/ -- James Timothy White was interviewed by famed TV Personality Michael Yorba today on CEOMoney, America's Business Show where White discussed starting up his online drug and alcohol testing education company, DrugTestingCourses.com with his co-founder Andrew Easler in the fall of 2012.

At age 12, James founded his first company, [J & W](#), which he grew into a multi-million dollar corporate structure. In 2005, he sold the business and set out to pursue a promising new venture in finance. Creative juices flowing and eager to succeed, 23-year-old James became the CEO of the largest debt management company in Canada with several hundred investors. Soon, failure came knocking at his door. It was a critical and devastating failure which led to the discovery of some of the greatest wisdom an entrepreneur can learn and has contributed to his greatest successes.
