

Easytea: An Innovative Tea Making Capsule launches Indiegogo Campaign

Now Seeking Community Support via Indiegogo, EasyTea is a Tea Making Capsule for Machine that Looks & Works Pretty Much like a Coffee Maker!

SINGAPORE, SINGAPORE, SINGAPORE, December 20, 2018 / EINPresswire.com/ -- Easytea is a remarkable new innovative [tea making capsule](#) that will simplify [Chinese tea](#) making for good. The machine operates and appears pretty much like a coffee maker and it is a true gift for those who want to have a quick but quality tea at work or at home. The project is currently being crowdfunded on Indiegogo and the Singapore based founder of this tea maker is welcoming everyone for generous support.

Convenience for office meetings

“With Easytea, you can simply enjoy top of the range Chinese Tea at a touch of a coffee machine and if you have no time to brew tea, this tea maker is totally for you.” Said Christopher Chau, while introducing Easytea to the Indiegogo community. “We are a group of PuEr tea lovers, who only deal with the finest quality brands of PuEr tea and other exclusive Chinese tea lines.” He added. The company has 6 International award-winning teas, including 5 from Globaltea Championship 2018 from the USA. Moreover, the founder of this company is also an award-winning tea master and he has recently won the New Entrepreneur of the Year Award (EYA) 2018 from Singapore government and Rotary Club Singapore.

The Indiegogo Campaign is located on the web at: <https://www.indiegogo.com/projects/tea-not-coffee-for-me--2/x/19950776#/>

and backers from around the world can become a part of

this project by making generous pledges and donations. The project offers a wide range of rewards for the supporters and the rewards include tea capsules, [tea bags](#) and the branded tea machine itself. Furthermore, each reward comes with worldwide shipping and more details are available on the Indiegogo campaign page of the project.

About This Project

Easytea is a Singapore based emerging tea making machine that gives a touch of a coffee maker and comes with several amazing features. For quick tea, the machine is a perfect choice and it is currently being crowdfunded on Indiegogo, where backers worldwide can contribute to help its creators raise funds and reach the campaign goal of \$5000.
