

Credit Counsel Inc Changes the Healthcare Industry

Christopher Mihoulides continues to innovate debt collections in the medical industry through innovative technology and customer service.

MIAMI, FLORIDA, USA, December 19, 2018 /EINPresswire.com/ -- "One of the largest industries affected by debt collections is healthcare," says Christopher Mihoulides. "We saw a need that had to be filled with our team at [Credit Counsel Inc.](#)"

Headquartered in [South Florida](#), [Credit Counsel Inc](#) has now reached clients around the world. By engineering technology based on years of feedback and studies, Credit Counsel Inc now boasts a recovery rate more than double the industry standard, and they show no signs of slowing down.

"We mitigate larger clients risk of involvement, by not collecting debt until payment is received," explained Christopher Mihoulides. "We have found great success in the healthcare industry by utilizing a robust collection process through data analysis and business intelligence software."

Tools like these allow Credit Counsel Inc to provide accurate information to each client, exposing any risks with larger commercial accounts, especially in healthcare. Healthcare providers experience a plethora of challenges today including operational costs and logistics, and debt recovery is a must for them to thrive.

With a dedicated medical team at Credit Counsel inc, they are able to provide excellent solutions using Credit Counsel Inc's custom software.

The medical team at Credit Counsel Inc is able to help businesses retain their patients through a higher collections rate that benefits both the debtor and the collector, which rarely happens in debt recovery.

This is all made possible because of Christopher Mihoulides and his years of experience servicing larger clients with best in class customer service and engineering software that actually produces results.

Especially in healthcare, Credit Counsel Inc has seen great success in repairing relationships with debtors, yielding a higher rate of payment.

"Reputation management is extremely crucial to our success," explained Christopher Mihoulides. "We want every client that works with Credit Counsel Inc to maintain a great standing in the community and with their patients."

Credit Counsel Inc also focuses on helping businesses work with insurance companies that will not pay out as well. By focusing on every case individually, Credit Counsel Inc is able to help each

client recover lost debt to claims and inaccuracies and push insurance companies to pay out what rightfully belongs to its clients.

While Credit Counsel Inc wants to always recover debt for every single client, they also want to lead the industry with best in class customer service, a mission Christopher Mihoulides set to make happen over two decades ago.
