

THE WORD IS OUT ABOUT ST BARTS

St Barts one of the most popular destinations in the Caribbean this Winter Season

NEW YORK, NEW YORK, UNITED STATES, December 20, 2018 /EINPresswire.com/ -- Demand for villas and vacation rentals for the beautiful tropical island of St Barts is one of the strongest in the Caribbean according to global vacation rental experts, [Exceptional Villas](#). The company is experiencing a 40% increase in year on year bookings. St Barts has always been popular with some of the world's most famous people. Roman Abramovich owner of Chelsea Football Club and one of the world's most wealthy people chose St Barts to build his spectacular beachfront mansion. Billionaire Philip Falcone famously had his mansion on the market for US\$57.4 million. Johnny Halliday, the famous French singer, owned one of the islands most beautiful and popular vacations rentals called Villa Jade.

Other regular visitors to the island include The Kardashian Family, Beyonce, Jaz Z, Usher, Gwen Stefani, Gavin Rossdale and a clatter of the Victoria Secret models such as Alessandra Ambrosia and Miranda Kerr.

The additional demand for the 2019 season is partly due to the fact that the island has 30 additional luxury villas available for rent this season as well as the fact that many of the original villas have had a complete makeover and are now more beautiful and luxurious than ever before. Take for example beautiful [Amancaya Villa](#) which has had a total makeover. Some of the new luxury villas include

Exceptional Villas have noted that clients who missed the island last year have all rebooked for the 2019 season. The company is also experiencing a large number of new clients booking for the first time.

The other aspect that has really increased the demand for St Barts is additional airlift. British Airways and US aircraft operator Tradewind are working in collaboration making it easier for British and European travelers to reach the island. Access via San Jose in Puerto Rica is also very seamless with regular connecting flights available. Air France also offer connections wit Win air to the island.
