Author Releases A Website For The Diamond Maker

GLOUCESTER, MASSACHUSETTS, UNITED STATES OF AMERICA, December 20, 2018 /EINPresswire.com/ -- Following the successful publication of [The Diamond Maker: An Extraordinary Love Story](#), [Joseph M. Orlando](#) will be releasing a website for his book. The website will showcase features that are easy to navigate and will give readers the opportunity to get the latest from the author.

The Diamond Maker: An Extraordinary Love Story introduces the main characters; Bart and Angela, both victims of the societal norms. As teenagers, they have struggled and suffered from emotional abuse by their peers and everyone else around them. Bart has a severe stutter condition, which led the bullies to name him "Stutter Boy", while Angela on another note had struggled to learn the English language since her family moved to the U.S. from Sicily. Her difficulty to defend herself verbally made people to name her the "Ugly Angela". Both Bart and Angela felt that they were not worthy of love until fate had brought them together. Angela found her way to Bart during the lowest point in his life. She supported him in all ways and he did the same. A day came when they both realized that they were stronger when they are together. Will Bart and Angela's love story last?
