

STS International, Inc. Supports Redskins Charitable Foundation in Providing more than \$3.2MM for Youth Achievement

STS International, Inc. Supports Redskins Charitable Foundation in Providing more than \$3.2MM for Youth Achievement

LANDOVER, MARYLAND, UNITED STATES, December 21, 2018 /EINPresswire.com/ -- Landover, MD – [STS International](#), Inc., a leading end-to-end integrated solutions and services provider in Command, Control, Communications, Computers, Cyber-Defense, Combat Systems, Intelligence, Surveillance, and Reconnaissance and a Veteran-Owned business has been part of the [Redskins Charitable Foundation](#) for several years. We have become part of the community and feel very lucky to be able to provide our community with the support it deserves.

“In 2018, the #Redskins Charitable Foundation provided more than \$3.2MM in grants and programs to support youth achievement. We couldn’t do it without the amazing members of our Leadership Council who joined us on the field today!”

Dave Morgan, VP of Operations for STS International, Inc., serves on the Leadership Council for the Redskins Charitable Foundation. “STS provides us the opportunity to engage with amazing organizations like the Redskins Charitable Foundation to support causes that truly make a difference in the lives of our youth. Serving our country and our community is part of who we are at STS. It is truly an honor to work with the other members of the leadership council. I look forward to any more years of good work,” says Dave.

“

Serving our country and our community is part of who we are at STS. It is truly an honor to work with the other members of the leadership council.”

Dave Morgan, Vice President

About STS International, Inc.

Founded in 1992, STS International is a U.S. Veteran Owned business with over twenty-five years of experience providing integrated, secure solutions and services to the federal government in the areas of Engineering, Enterprise Asset and Logistics Management, Training and Simulation, and Professional Support Services. We have focused our efforts in the domains of Command, Control, Communications, Computers, Cyber-Defense, Combat Systems, Intelligence, Surveillance, and Reconnaissance

(C6ISR), Artificial Intelligence and Machine Learning, Force Protection Systems, Cyber Mission Assurance, Robotics and Unmanned Systems, and Medical Training and Simulation. Our goal at STS is to achieve mission-success for our clients in Defense, Homeland, and National

Security by dedicating ourselves to the principles of innovation, agility, and excellence. What makes STS unique is our ability to swiftly meet our client's needs while sustaining an organization with global operations and a mature infrastructure to support enterprise, end-to-end solutions. Our solutions maximize best value, mitigate risks, and optimize operational efficiency.

About Redskins Charitable Foundation

The Redskins Charitable Foundation is ever-present in the community, constantly working to achieve our mission to make a positive and measurable impact in the lives of children that need it most. Since Redskins owners Dan and Tanya Snyder created the Washington Redskins Charitable Foundation in 2000, we have given back more than \$23M to the community and currently provide support and services to more than 175,000 individuals (mostly children) annually, focusing on supporting education, children's health and wellness and preparing them for their future.

Leadership Council

Since the inception of the Foundation in 2000, the Leadership Council has been at the forefront of the organization's efforts to help improve the lives of children in our community. These business leaders in the community not only provide financial resources, access to a professional network and widespread expertise, but their generosity and support are second to none and are essential to the success of the Washington Redskins Charitable Foundation.
