

Scientific Scholar is partnering with Indian Dental Association as their consultant

Scientific Scholar an international publisher takes on the role of consultants to Indian Dental Association

MUMBAI, MAHARASHTRA, INDIA, December 22, 2018 / EINPresswire.com/ -- [Scientific Scholar \(https://scientificscholar.com\)](https://scientificscholar.com) is partnering with [Indian Dental Association](http://www.indiandentalassociation.org) as their consultant, advising them on various aspects of journal publication for Journal of Indian Dental Association (JIDA).

The Journal of the Indian Dental Association (JIDA)

<http://publication.ida.org.in/IndexMain.htm#/about?CatId=91>) is a peer-reviewed scientific journal on original research articles exclusively designed for clinical practitioners. It provides a platform for eminent dentists to publish their research and evidence-based findings in different fields of dentistry. It presents research work carried out, nationally and internationally in different specialties of dentistry. The focus is mainly on research and clinical trials on new procedures and techniques, dental materials, instruments, cosmetic and restorative materials, clinical studies and reviews on various dental diseases and their treatment. It's a complete evidence based informative guide for the dental practitioners, academicians and research scholars.

“

Indexation of a journal is considered a reflection of its quality. Indexed journals are considered to be of higher scientific quality as compared to non-indexed journals”

unknown

Scientific Scholar will be advising the JIDA on its compliance

with all the rules and regulations required for JIDA to be Indexed in PubMed. This is the special service that Scientific Scholar (<https://scientificscholar.com>) offers on special request.

Scientific Scholar publishes very prestigious journals such as American Journal of Interventional Radiology (<https://americanjir.com>) and American Journal of Sonography (<https://americanjns.com>). Scientific scholar has complete inhouse facilities from designing journal website, manuscript management system, copyediting, page layout, printing, distribution and Indexing. We offer every service required for a successful journal publishing.

Scientific Scholar founders have an extensive academic and publication experience and has a very skilled and professional team. The Scientific Scholar has its own manuscript management platform. The platform mainly uses Drag and Drop functionality to accomplish its tasks. Its intuitive and has a short learning curve. Scientific Scholar can also license their manuscript management system to other journals and publishers.
