

Medical Billing Services

Experience the professional medical billing services of Billing Buddies®.

MINNEAPOLIS, MN, USA, December 25, 2018 /EINPresswire.com/ -- Billing Buddies® is a leader in the medical billing industry. We serve healthcare providers across the United States. Billing Buddies® serves a vast variety of specialties and all our billers are Certified Medical Reimbursement Specialists (CMRS) through the American Medical Billing Association (AMBA).

How does our billing agency work? It's easy. First, we set you up with an Office Ally system that is available to you to view your accounts 24/7. Next, we establish an easy way for Billing Buddies to exchange data with your office. We need only three items to process your bills; 1) Patient Information, 2) Charge Information and 3) Payment Information. We can use your existing forms or we can set up forms for you. Finally, we coach you on the billing rules and regulations.

How do we charge? We charge a flat fee based upon claim volume. Our packages start at \$500 per month for up to 100 claims. Our pricing includes labor and supplies. For a copy of our contract, including our complete pricing tiers, please call, text, or email us.

Are you ready to get started or want more information? Call or Text (612) 432-2366 or email bonnie@billingbuddies.com.
