

AppFutura presents the Top 10+ SEO companies worldwide

The global leader in marketplace and directories for App Developers, AppFutura, has published a Top SEO Companies - December 2018 list.

BARCELONA, SPAIN, December 27, 2018 /EINPresswire.com/ -- AppFutura, a global marketplace, and directory for mobile app development companies have introduced a new directory. This one lists all those Search Engine Optimization Companies working on being the best SEO Providers.

With the introduction of the new directory, AppFutura has also launched a new list featuring the [Top SEO Companies](#) - December 2018. Featuring the Top SEO Companies worldwide thanks to their hard work and professionalism shown throughout the last years.

“

AppFutura has become a global lead-generation platform.”

The AppFutura Team

On the list, you can find these SEO companies:

Magneto IT
Prismetric
Eastern Peak
Rudra Innovative
SEO Discovery
WDP Technologies
Igniva Digital

Also worth mentioning SEO Providers are Artjoker Software, E2logy, Zoptal, Attract Group, Brain Technosys, WebInitiate, Capermint Technologies, Kpis Pvt Ltd, and Mind Studios.

AppFutura has become a global lead-generation platform working in two ways. The first one is a worldwide directory providing high exposure to main app development companies located in different cities around the world. From there, potential customers can find their desired app developer bringing direct inquiries and clicks to the developers' websites. On the other hand, AppFutura has a project dashboard where businesses can post their app development needs, receive development proposals from top development companies and eventually hire their favorite through a safe payment system. For those in need of more thorough support, AppFutura's team can help you select the best candidates for your needs and will also assist you during the whole development process.

App developers are welcome to join our listings of [Top App Developers](#) or get in touch with our team to learn how they can benefit from using our platform.
