

Vacationisms Travel Services Named "Best of Weddings" by The Knot

Thirteenth Annual Best of Weddings Awards, from the #1 Wedding Planning Website, Honor the Top Wedding Vendors Across America

BEDFORD, NH, UNITED STATES, December 27, 2018 /EINPresswire.com/ -- [Vacationisms Travel Services](#) is pleased to announce that they have been selected as a 2019 winner in The Knot Best of Weddings, an award representing the highest-rated wedding professionals as reviewed by real couples on The Knot, the leading online wedding brand. This is the second year Vacationisms Travel Services has been selected for The Knot Best of Weddings.

In 2019, only 3% of the approximately 300,000 local wedding professionals listed on TheKnot.com received this distinguished accolade. In its thirteenth year, The Knot continues its longstanding tradition of supporting local wedding vendors with The Knot Best of Weddings 2019, an annual by-couples, for-couples guide to the top wedding professionals across the country. To determine the winners, The Knot assessed almost 3.6 million reviews across the various vendor categories—venues, travel experts, musicians, florists, photographers, caterers and more. These winners represent the best of the best wedding professionals that a bride or groom would want to consider booking for their own unique wedding.

"We are so proud to have received this award for the second time, and humbled to be the only [travel agency in New Hampshire](#) to do so. We are so honored to be trusted by clients with planning events as important as their [honeymoons and destination weddings](#). Our clients come first in everything we do, so to have their words be the driver of winning The Knot Best of Weddings is incredibly rewarding," says Sara Locke, Agency Director, Vacationisms Travel Services.

As the number one online wedding brand and app, The Knot has inspired approximately 25 million couples to plan a wedding that's uniquely theirs. With a rich history of providing quality content and inspiration, The Knot is making it easier for couples to connect with and book just the right wedding professionals to create their perfect wedding day. Eight out of 10 couples come to The Knot where they can be connected to any of the approximately 300,000 local wedding professionals across the country. The Knot marries great technology with trusted content--and a little love--to make planning for the most important day of a person's life easier and more enjoyable.
