

Mogul Investment Group: If you need to sell your house in Tulsa, we buy houses in Tulsa

Based in Tulsa, Oklahoma, Mogul Investment Group pays cash for houses in all surrounding areas of Tulsa. Their motto is: we buy houses Tulsa.

TULSA, OKLAHOMA, UNITED STATES, December 29, 2018 / EINPresswire.com/ -- Mogul Investment Group is one of the [We buy houses in Tulsa](#) companies which is not trying to obtain a listing for selling the houses, but is focused on actively purchasing the houses that homeowners want to get rid of, using all-cash transactions in Tulsa and surrounding areas. Involvement of banks or other agents is not needed and completely avoided. The Mogul Group listens to the wishes of its clients when it comes to the scheduling of the buying out, and aspires to offer the best possible solution that protects both the interests of the seller and the firm.

The solutions that this company offers are perfect for all the to-be sellers that want to sell their property but have some kind of time-related or property-related problems. Whether a seller has an unwanted property, they're facing a divorce, they own a vacant property, they need to move as soon as possible, they're facing foreclosure, they own a property that needs to be fixed or renovated, they want to avoid fees, or any other possible reason- the solution is with We buy houses in Tulsa.

The process is very easy and quick. All the future sellers need to visit the webpage of the company and submit a short property information form. Within 24 hours, the seller will hear back from the company that will propose an all-cash offer which will be completely fair. The condition of the property or the timeframe in which the clients want to get rid of it are not relevant; there is a solution for everybody.

After receiving the offer, the client is the one that chooses the timeframe in which the selling will take place, and it can be as soon as seven days from the day of submitting the property information form.

The Mogul Group will help sellers out even if agents couldn't sell the property before. As a bonus, there is no need for cleaning up or repairing anything on the property, no wasting time on signing contracts with agents or any other paperwork that is inconclusive and just guarantees promises of selling the property in question.

Other than in Tulsa, the services of the Mogul Group are available in Bartlesville, Bixby, Broken Arrow, Claremore, Jenks, Oklahoma City, Owasso, and Sand Springs.

“We have no hidden fees, closing costs, appraisals or banks approving or denying a loan. This is one of the reasons why we have been so successful in our business of purchasing houses in Tulsa and the entire Tulsa Metro area. We purchase houses, multi-family properties, lands and some commercial properties. We make a fair cash offer on the property, regardless of its condition” explained Adam Johnson from [We buy houses Tulsa](#).
