Riemer Reporting Service announces a new ownership team

WESTLAKE, OHIO, USA, January 3, 2019 /EINPresswire.com/ -- Riemer Reporting Service, one of the nation's largest independent companies devoted exclusively to business credit network services, is excited to announce a new ownership team.

The new ownership team, comprised of Riemer Reporting Service's Chief Operating Officer Kristine Riemer, credit industry executives Dennis Cantalupo and Chris Sherman, will provide valuable and unique products and services to the credit community through the newly branded company - [RiemerPlus](#), Cantalupo and Sherman.

New services to be rolled out in 2019 include Credit Meeting Improvements, a Mobile Application, access to [Pulse Ratings](#) for in-depth financial analysis on key retailers and a new User Dashboard under development.

Ms. Riemer, who joined Riemer Reporting Service in 2003, commented, "I am thrilled to join Chris and Dennis who bring complimentary skillsets and decades of industry experience to our new ownership team. Our partnership of expertise and industry specific knowledge will drive exciting improvements to our technology and service for years to come".

Commenting on the new partnership, Mr. Cantalupo, who most recently served as Chief Operating Officer at a leading credit consulting firm, stated, "I am pleased to now be a part of the Riemer family. I have worked closely with Riemer Reporting Services for over a decade and have a tremendous amount of respect and admiration for the organization and its members. I look forward to working with the entire team as we expand our offerings to better serve the needs of today's credit professional."

Mr. Sherman, who has spent nearly 20 years in the credit industry, added, "I couldn't be more excited to join Kristine, Dennis, and the Riemer team in a shared vision of evolving the great product and service Lois and Paul Riemer began building 50+ years ago. I am not only honored by the opportunity, but am humbled by the trust they have put in us to continue their legacy."
