

IT Governance USA creates new ISO 27001 webinars to provide cyber compliance guidance for publicly listed companies

NEW YORK, NEW YORK, UNITED STATES, January 7, 2019 /EINPresswire.com/ -- IT Governance USA, the leading provider of cybersecurity expertise and solutions, is pleased to announce new webinars in its ISO 27001 webinar series.

ISO/IEC 27001:2013 (ISO 27001) is the international standard that describes best practice for an ISMS (information security management system). Achieving accredited certification to ISO 27001 demonstrates that the organization is following information security best practice, and delivers an independent, expert assessment of whether its data is adequately protected.

The new webinars will provide cybersecurity compliance guidance for companies listed on the U.S. SEC and law firms.

•“How can an ISO 27001 compliant ISMS help publicly listed firms achieve SEC regulatory compliance” will take place on Thursday, January 24, 2019, 1:00 p.m.–2:00 p.m. EST.
