

Discover the One & Only Badass (Yet Friendly) Real Time Match 3 Clash with Save Our Skwiish: Magical Match 3 Adventure

Buzzzl's Unique and Challenging New Match 3 Mobile Game Arrived on Google Play and Amazon.

MONTREAL, QUEBEC, CANADA, January 4, 2019 /EINPresswire.com/ -- This winter is about to be even funnier, as Buzzzl reveals its enjoyable new puzzle adventure, Save Our Skwiish: Magical Match 3 Adventure. Buzzzl is bringing the match 3 experience to a whole new level with different game modes: Solo and Multi modes for everyone's joy! Featuring a mesmerizing storyline, challenging puzzles, loveable characters and a catchy gameplay; Save Our Skwiish is convinced to be a real blast for match 3 and casual mobile gamers. Buzzzl wants to change the way players interact with other players while playing match 3. The multi mode offers the pleasure to interact directly in your competitor's puzzle!

Unique Solo and Multiplayer (PVP) Match 3 game

“

Instead of competing with only their friend's scores, the player will actually play live against a friend. Our multi-mode is the perfect place to outplay a friend and play with his mind”

Magda Lacroix, Co-Founder and CEO

In Save Our Skwiish: Magical Match 3 Adventure, the players help the Skwiish species, a cute and adorable monster, to fight against the N-Rgark evils. Komotion and Phenomena, the spectre species has been very bad and nasty toward the cute little Skwiish. They need to capture all the Skwiishies to be able to stay in the daylight. If the N-Rgark can't keep the Skwiishies captured, they will remain in the darkness for ever! Fortunately, the player comes to the rescue by catching the keys and helps the Skwiish to release the adorable babies.

Save Our Skwiish revolve around magic and energy force; players will have to be strategic to attack the enemies. There will be rewards for those who put up the effort to Save Our Skwiish!

Save Our Skwiish: Magical Match 3 Adventure is available on [Google Play](#) and [Amazon Appstore](#) as a free to play experience with optional in-app purchases.
