

Stanford Chiropractic Center Wins Ninth Consecutive Talk Award for Customer Satisfaction

Palo Alto chiropractor Dr. Gavin Carr and his team received high marks again for customer satisfaction, earning them nine straight Talk Awards.

PALO ALTO, CALIFORNIA, UNITED STATES, January 7, 2019 /EINPresswire.com/ -- Receiving the highest possible customer satisfaction rating of 5 stars for nine straight years has earned [Stanford Chiropractic](#) Center nine prestigious Talk Awards.

Winners of the Talk Awards are based on The Stirling Center for Excellence's independent, proprietary research and evaluation system, which identifies businesses with a track record of excellent customer service and satisfaction. The rating system combines data collected from nominations, online and other customer reviews, surveys, blogs, social networks, business-rating services, and other honors and accolades — all of which express the voice of the customer. Only those with a 4- or 5-star rating receive The [Talk Award](#).

Family chiropractor Stanford Chiropractic Center in Palo Alto believes in using chiropractic care to improve the health and wellness in all areas of its patients' lives, whether they are having problems with back pain, neck pain, headaches or just want to start feeling better when they wake up in the morning.

“

We pride ourselves on patient education, so our customers make educated and informed choices in choosing the right path to their health while being actively involved in the process.”

Dr. Gavin Carr

Dr. Gavin Carr has been serving the Bay Area for 30 years. He began working at Stanford Chiropractic in 1990, and fully took over the practice two years later. Dr. Carr treats patients of all ages and specializes in chiropractic adjustments. He has researched and developed some of the most advanced chiropractic techniques and adjustments, drawing patients from out of state and even out of the country.

Patient education is the practice's primary focus. “We pride ourselves on patient education, so our customers make educated and informed choices in choosing the right path

to their health while being actively involved in the process,” says Dr. Carr.

Dr. Carr and his team also serve their patients well by creating chiropractic health programs designed specifically for each patient's individual needs. "Our chiropractors provide a thorough consultation for every patient," says Office Manager Fernando Cruz. "We teach our patients about the spine and how it relates to overall health and wellness. We provide nutritional advice and corrective exercise programs to help our patients achieve physical strength and boost their immune systems."

The staff at Stanford Chiropractic are extensively trained to ensure customers' needs are met, including weekly and monthly trainings, seminars and more throughout the year.

Community outreach is also a priority. The practice participates in programs such as FaceBook Festivals, which raises funds for the local community; the City of Mountain View Festivals; and the City of Menlo Park Summer Fest. "We educate the general public on all aspects of health while giving and donating services back to those in need," says Dr. Carr.

In addition to nine consecutive Talk Awards for outstanding customer satisfaction, Dr. Carr was voted Best Chiropractor for 2017 and 2018 in the "Best of Palo Alto."
