

Super Brush Returns to Outdoor Industry Suppliers Showcase in Las Vegas

Building on success at the 2018 Supplier Showcase, the Super Brush team returns to Las Vegas to meet with 3,000+ manufacturing-related attendees.

SPRINGFIELD, MA, USA, January 7, 2019 /EINPresswire.com/ -- SHOT Week Supplier Showcase 2019

Building on success at the 2018 Supplier Showcase, the [Super Brush](#) team returns to Las Vegas to meet with 3,000+ manufacturing-related attendees.

The National Shooting Sports Foundation (NSSF) is hosting The Shooting, Hunting, Outdoor Trade (SHOT) Week Supplier Showcase for attendees to meet with current suppliers, identify new suppliers, and find new resources to improve their supply chain. Supplier Showcase is open two full days, January 21–22, 2019 at the Palazzo Ballroom, 5th Floor, Venetian Hotel.

New Cleaning Kits

The venue allows suppliers to present their products to manufacturers in the shooting, hunting and outdoor industry. From metal stamping, to logistics, to precision cleaning tools, The Supplier Showcase leverages the industry's advanced manufacturing technologies under one roof.

“

Face to face meetings with outdoor industry manufacturers are critical in the current, fast-paced, and ever changing arena of global supply.”

Misty McGinnes

According to Misty McGinnes, Super Brush General Manager:

“Face to face meetings with outdoor industry manufacturers are critical in the current, fast-paced, and ever changing arena of global supply. Although Super Brush has been serving this industry for decades, the Supplier Showcase is a chance to demonstrate the value a US manufacturer of innovative, precision cleaning products can provide.”

Nearly 3,000 attendees visited the Supplier Showcase in 2018 and more are expected for 2019. For more information about The SHOT Week Supplier Showcase, visit <https://shotshow.org/supplier-showcase/>.

About Super Brush:

Super Brush LLC specializes in the design, development, and manufacturing of foam swabs and applicators. From medical applicators to patented firearm cleaning swabs, Super Brush provides industries with technically advanced foam swabs for precision cleaning of equipment and delicate surfaces, removing excess materials, applying lubricants, solvents, adhesives, and a host of other solution.
