

# Fundamental Scrubs for the basic necessities

*Scrubs aren't always the most fashionable pieces available on the market. But there are some things you can do to make sure you look your best.*

LOS ANGELES, CA, US, January 8, 2019 /EINPresswire.com/ -- Sometimes people working in the medical field need just the basics. [Fundamentals Scrubs](#) provides superior uniforms at bargain basement prices with the durability needed for events toughest jobs.

"The price is cheap, but the quality is not," said Philip Gabriel, owner of Scrubs Unlimited in Los Angeles. "That is very important for the budget minded. If you buy [cheap scrubs](#) that do not last, then you have no saved any money. If you buy inexpensive scrubs than can stand up to modern medical center needs, then you have saved money."

Fundamentals F3 scrubs are made by the White Swan Uniforms company with eye toward function and fit. The company surveyed medical offices to find out what was most needed and the set out to meet those needs. The resulting Fundamentals actually exceeded many of the requirements.

The company also produces the scrubs in a variety of colors. Students and staff can dress appropriately and stay color coded. Many universities require students in specific medical career pathways to wear certain scrubs colors. A doctor's office can have the same colors for the whole staff if needed.

"These scrubs also come with lots of pockets. This is especially helpful for students who need to carry a lot of gear and emergency room workers," Mr. Gabriel said. "The pockets are specifically tailored to keep things handy without wearing you down."

[Fundamentals pants and tops](#) are unisex. Top sizes are small to 7X. Pants are Petite XS to 7X and tall sizes up to 3XL. For the men, the pants tend to run a size too big so ordering one size down is recommended.

For those who are not sure about sizes, Scrubs Unlimited offers a Safe Sizing program.

“Order a set of scrubs in the size you think you need. If it does not fit, send it back. We refund everything including the shipping,” Mr. Gabriel said. “If it fits, then order as many as you need in that size.’

Owing to the larger sizes in the shirts, Fundamentals are well-suited for pregnant ladies.
