

Proven Scientific breakthroughs in anti-aging research at RAADfest 2019

You can attend the largest most prestigious conference on Age Reversal and Super Life Extension in Las Vegas October 3-6 2019

SAFETY HARBOR, FL, UNITED STATES, January 8, 2019 /EINPresswire.com/ -- Where do you go to learn all about the latest in Anti-aging research ?

RAADfest 2019 Attendees will meet with and learn from some of the world's most renowned experts on Life Extension and anti-aging. In the race for living longer major scientific breakthroughs will be shared, some for the first time at this amazing one-of-a-kind Conference.

Attendees will learn about the cutting edge of DNA and telomere age-reversal research from one of the world's foremost scientists in the field, Dr. Bill Andrews who will be a featured speaker at RAADfest (www.raadfest.com).

Patient Zero, Liz Parrish, the first person to successfully test the effects of taking 108 injections of potential age reversing gene therapies including telomerase, will report her most recent findings and the extraordinary procedures now being used for human trials.

One of the country's foremost experts on anti-aging and nutritional supplementation, Popular Science calls him "Forever Man", Life Extension magazine Publisher Bill Faloon, will share with attendees the amazing research being done on effectively removing damaging senolytic cells (zombie cells) from our bodies...the amazing health benefits it brings and how you armed with this new research and knowledge can inexpensively do this yourself.

He and other renowned experts on regenerative medicine and super nutrition will present their latest findings on extraordinary nutrients, enzymes, peptides, stem cells, probiotics, skincare products and prescription drugs we should be taking to potentially extend life expectancy and effectively slow down the body's aging process.

Ponce De Leon's "Fountain of Youth" is real and on display at RAADfest 2019.

Meet with renowned actress, entertainer and leading health advocate, Suzanne Sommers, will share with attendees the great strides being made in bio identical hormones and other lifestyle enhancements that are critical for woman over the age of 50.

These are just a few of the over 30 scientists, entrepreneurs, doctors, university professors and thought leaders who will present their most recent scientific findings on Reverse-aging and super longevity at RAADfest 2019.

Presented by the non-profit Coalition for Radical Life Extension, RAADfest is hosted by its dynamic founders, James Strole and Bernadeane, who are thought leaders on ageless lifestyle and immortality mindset and co-Directors of People Unlimited.

RAADfest is considered the largest and most prestigious conference on age reversal and super longevity of its kind with an expected attendance of approximately 2500, at the newly remodeled Westgate Resort (www.Westgateresort.com), formerly the famed Las Vegas Hilton.

Health and Wellness companies can showcase their products and services to the biggest audience of dedicated longevity practitioners and consumers available in America. Attendees will be able to test state of the art equipment, sample cutting edge modalities, receive age reversal services during the conference, book appointments with renowned doctors, and network with some of the most knowledgeable people on the planet on how to effectively slow down the aging process as we know it today.

RAADfest has special ticket packages that cost as little as \$497 and VIP packages with deluxe accommodations.

If any qualified presenter has cutting edge work on age reversal they would like to have considered for RAADfest, they can contact James Strole through the Coalition for radical Life Extension.
