

Leading VoIP Complete Solution Provider ITsavvy Announces Key Partnership

ITsavvy, one of the fastest growing complete VoIP technology solution providers in the US, just announced a new partnership with 8x8 for hosted VoIP solutions.

ADDISON, ILL., U.S., January 8, 2019 /EINPresswire.com/ -- [ITsavvy](#), one of the fastest growing complete VoIP technology solution providers in the U.S., just announced a new partnership with 8x8 for hosted VoIP solutions. The company is a leading provider of cloud phone, meeting, collaboration and contact center solutions with over a million business users worldwide.

The 8x8 offering features a platform designed from the ground up with all native components purpose-built and designed specifically by 8x8. The company does not rely on third party components for any of their services. Small and mid-size clients will get in-demand enterprise-grade features—such as:

- Auto attendant
- Music on hold
- Video conferencing
- Integrated phone
- Meeting collaboration
- Contact center capabilities

The 8x8 solution is a cost-effective, reliable alternative to complex, on-premises phone systems.

In 2018, and for the seventh year in a row, 8x8 has been a leader in the Gartner Magic Quadrant for Unified Communications as a Service, worldwide. The company has taken the lead in voice solutions, propelling the industry with its powerful contact center application and ease of use.

ITsavvy President and CEO Mike Theriault

“

The addition of 8x8 is a significant enhancement to our Unified Communications offerings; it is a cost-effective, reliable alternative to complex, on-premises phone systems.”
