

Teen Singing Sensation HITHA Releases Inspirational New Single “Special”

LOS ANGELES, CA, USA, January 9, 2019 /EINPresswire.com/ -- Teen Singing Sensation HITHA, a 13-year-old from California, has released her her second single “Special” on Christmas, 2018.

Who is that SPECIAL person whom you always feel like the air you breathe? Is it your Dad, Mom, Sister, Brother, Grandpa, Grandma, Boyfriend, Girlfriend, Daughter or Son? This song is dedicated to that SPECIAL person in your life.

“Special” is creating lots of buzz and teenage fans. She already has over 300,000 fans worldwide in social platforms and a majority of them are teenage girls.

Says HITHA, “Music is my passion and my life. I hope that I become known as the positive girl who loves to write and perform. When people hear my music, I want them to know that they can always count on themselves to figure out what their true passion is, and then put in the hard work and practice alongside their talent to get the achievement they’re looking for. There’s always a positive ending if you try hard and don’t give up”

HITHA’s debut single “Standing Up With Pride”, a song that reminds us that by focusing on what you want to achieve in life, you can overcome any obstacle that comes before you, was released in the Fall 2018 and has garnered rave reviews worldwide!

“It’s been some time since we’ve had a teen pop princess in our midst. The likes of Miley Cyrus, Ariana Grande, and Selena Gomez are now in their mid-20s and making music for more mature audiences. But there is one budding singer we can think of who’s chomping at the bit to fill their shoes.” - Colour Me Stunned review (June 7th, 2018)

Currently “Special” and “Standing Up With Pride” are spinning on many College Radio Stations. HITHA is ready to release more originals in upcoming months.
