Ozomatli have declared that 2019 will be a prolific year of new music from the band. In true [Ozo](#) fashion, the band will enthusiastically hit the road to perform their new material as well as their existing trove of songs you know and love.

LIBERTAD (the Spanish word for: FREEDOM) is a collaboration with founding members Chali 2na (Jurassic 5) & Cut Chemist. This is their first collaborative release together since Ozomatli's 1998 debut album. To record and mix Libertad, Ozo teamed up with owner, founder and soul of BURL Audio, the incomparable Rich Williams.

LIBERTAD is a colorful explosion representing what Ozomatli has always been about. A throwback to old-school Ozomatli, mixing funk, hip-hop, Latin, Cuban & Salsa into a bubbling melting pot of an infectious Los Angeles sound. Chali 2na's unmistakable vocals and lyrics reference hope, change and freedom through medicinal music and the power of choice. The 1/2 way switch up allows Ozomatli to flex their musicality taking it home with powerful horns, Cut Chemist's flavorful beats and exciting percussion to keep the World-Wide Block Party moving!

This Los Angeles based band consistently breaks boundaries with an uplifting and uniquely multi-cultural American world style.
