

Exeter Orthodontics Offering Affordable Braces in Lansdale

Affordable braces in Lansdale are available for only \$3,995.

LANSDALE, PENNSYLVANIA, UNITED STATES, January 22, 2019 /EINPresswire.com/ -- Exeter Orthodontics in Montgomery County is welcoming new patients to its Lansdale office. Exeter Orthodontics currently has six locations throughout eastern Pennsylvania and has helped thousands of teens and adults achieve straighter smiles.

[Braces in Lansdale](#) are only \$3,995. There are no hidden fees to this low price, which includes x-rays, retainers, adjustments, and repairs. Even emergency visits are included, making braces from Exeter Orthodontics one of the most affordable orthodontic treatment options available.

In addition to traditional braces, [Invisalign in Lansdale](#) is also available. Invisalign aligners are transparent aligners that fit firmly over a patient's existing teeth. They can be removed for eating or brushing.

"With the help of our orthodontic team, patients can choose between these two options," says Dr. Soraya Mills, [orthodontist in Lansdale](#).

Each treatment differs slightly in terms of length and materials, but each is offered at the same low price.

To learn more about Invisalign aligners or traditional braces in Montgomery County, schedule an appointment with Exeter Orthodontics by visiting <http://www.exeterorthodontics.com/request-appointment/>.

About Exeter Orthodontics: For several years, Exeter Orthodontics, a Pennsylvania-based orthodontic practice, has offered area patients braces and Invisalign treatments for as low as \$3,995. Its team of orthodontists remains dedicated to providing high-quality care at an affordable price. Learn more at <http://www.exeterorthodontics.com/>.
