About Volunteer Ministers:

Scientology Volunteer Ministers are best known for their work after disasters. Since 9/11, Volunteer Ministers are seen at nearly every disaster worldwide in distinctive yellow shirts, dispensing personal care packages, food and water to those impacted, and especially offering support to the first responders. Individual Volunteer Ministers also help every day in homes and businesses, and present seminars on Tools for Life to help anyone learn to handle all the minor “disasters” that come up in life. [L. Ron Hubbard](#) the founder of Scientology and the Scientology Volunteer Ministers program said, “A Volunteer Minister does not shut his eyes to the pain, evil and injustice of existence. Rather, he is trained to handle these things, help others achieve relief from them and new personal strength as well.’
