Lisa Diane Kastner

"This is the perfect tribute to the nominees and presenters, our authors, our readers, and the stories," says Lisa Diane Kastner. "Plus, what a great way to start 2019."

The books: "[Frontal Matter: Glue Gone Wild](#)" by Suzanne Samples, "Running Wild Novella Anthology, Volume 2, Part 1" and "Running Wild Novella Anthology, Volume 2, Part 2" provide a great cross section of the books we published in 2018.

"Frontal Matter: Glue Gone Wild" by Suzanne Samples is a fun, funny, and heartbreakingly real memoir of a woman's fight against terminal brain cancer. The writing is honest, charming, and full of cuss words.

"Running Wild Novella Anthology, Volume 2, Part 1" and part 2 are eclectic and dynamic collections of novellas. We are incredibly proud of each and every story.
