

SONOMA-BASED CANNALIGN SELECTED TO EXHIBIT AT 2019 STARTUP GRIND GLOBAL CONFERENCE

SANTA ROSA, CALIFORNIA, UNITED STATES, January 13, 2019 /EINPresswire.com/ -- FOR IMMEDIATE RELEASE

SONOMA-BASED [CANNALIGN](#) SELECTED TO EXHIBIT AT 2019 [STARTUP GRIND](#) GLOBAL CONFERENCE

January 7, 2019 / Russian River PR/ CannAlign, LLC, ("CannAlign" or "Company") has been selected by Startup Grind, powered by Google, for the Startup Exhibition in the Grind category at the 2019 [Startup Grind Global Conference](#) held February 12th through February 13th in Redwood City, Calif.

CannAlign, the leading digital mobile app for locating and ordering both medical and recreational cannabis, recently announced the launch of their new scanning "CannAlign Code." This code will give users instant access to brand and retailer information, and online ordering.

The company currently has 50+ participating dispensaries and retailers. CannAlign is currently available for use across the state of California, and the Company intends to expand their network to other recreational and medical states in 2019. The CannAlign app is available on both the Google Play and Apple platforms. For interviews, photos or content, please contact:

About Startup Grind

Startup Grind is the largest independent startup community, actively educating, inspiring, and connecting 2,000,000 founders in more than 600 chapters globally. Founded in Silicon Valley, we nurture startup ecosystems in 130+ countries through events, media, and partnerships with organizations such as Google for Startups. Our local monthly events feature successful local founders, innovators, educators and investors who share lessons learned on the road to building

great companies. Startup Grind also hosts two flagship conferences annually — the Global Conference and Europe Conference. To date, Startup Grind has helped millions of entrepreneurs find mentorship, connect to partners and hires, pursue funding, and reach new users. Learn more at StartupGrind.com.

About CannAlign

CannAlign is a leading, digital mobile app for both medical and recreational cannabis users who want to search, educate, and locate their preferred brands, product lines, and retailers. CannAlign allows patients and consumers to locate and review cannabis products best suited to their individual needs. CannAlign also allows consumers to see live menus where they can order online from licensed dispensaries and delivery services. They are committed to ensuring that their community is being sent to only the best and legitimate brands and dispensaries in the market.
