# Multinational ship agency in Namibia embraced systematic approach to compliance with QMS requirements through MyEasyISO

VALLEY COTTAGE, NEW YORK, UNITED STATES, January 15, 2019 /EINPresswire.com/ -- In 2006, this company was formed and functioned as clearing agents to meet specialized requirements that accompany shipping of perishable products within the industry. The company strives to continue the legacy of service excellence within their shipping agency, in addition to the clearing and forwarding industry as a whole. Today, it offers a range of shipping services, including ships' agency, customs clearing, freight forwarding, and logistics services, and act as customs clearing agents through offices across the country. They also operate via reliable partners in many smaller Southern African ports.

ISO 9001:2015 Quality Management Software

www.myeasyiso.com

As a shipping company with years of experience, they are versed in safety, commercial and legislative requirements and regulations of South African and Namibian ports. It ensures that its clients' vessels comply fully with these requirements to prevent any delay by ensuring that the actions are taken, and information provided, are correct and appropriate.

"

> MyEasyISO's integrated modules & its robust reporting feature does not only provide the organizations to gain visibility but also drives continuous improvement"
> *Kaushal Sutaria*

"We have successfully done this continuing compliance because of MyEasyISO QMS Software. A very reliable software," said General Manager.

MyEasyISO QMS software provides a comprehensive and in-depth view of organizational processes through multiple reports and dashboards.  It has global access to documents and records from anywhere around the world making the software easily accessed.

"MyEasyISO's integrated modules and its robust reporting feature does not only provide the organizations to gain visibility but also drives continuous improvement and helps them to achieve their business objectives," said Kaushal Sutaria, Senior Manager of MyEasyISO.

MyEasyISO is suitable and recommended for small to medium-sized organizations with limited resources and unlimited ambitions. It offers rapid deployment and implementation with

unmatched cost effectiveness.
MyEasyISO has a unified platform for all the processes, offices, business units, and employees.
Its centralized task management, alert management, and notification enable workflow
ensures optimum communication.

About MyEasyISO
