

Quality IT Partners Named One of the Best and Brightest Companies to Work for in the Nation for 2018

Quality IT Partners has been nationally ranked as one of the Best and Brightest Companies to Work for in 2018 by the National Association for Business Resources

MOUNT AIRY, MARYLAND, USA, January 15, 2019 /EINPresswire.com/ -- Mount Airy, Maryland (January 15, 2019) – Quality IT Partners has been nationally ranked as one of the Best and Brightest Companies to Work for in 2018.

The companies that have been selected to be recognized nationally as a Best and Brightest Company to Work For® will be featured in the January online edition of Corp! Magazine.

The 2018 national winning companies were assessed by an independent research firm which reviewed a number of key measures relative to other nationally recognized winners.

With over 20 years of experience conducting the Best and Brightest competitions, the National Association for Business Resources (NABR) has identified numerous best Human Resource practices and provided bench marking for companies that continue to be leaders in employment standards.

Mark Debnam, Founder and CEO of Quality IT Partners shares “We are delighted to have won this award on the heels of our similar recognition from Inc. Magazine. As I’ve shared, I consider it my primary responsibility to nurture and preserve our business culture of kindness, respect, and genuine caring for the well-being of everyone. Folks in our organization sense this appreciatively, feel part of a family, and it becomes contagious. We thrive - and we thrive strong together sharing the philosophy of One for all, and all for one.”

While researching the entries, the National Association for Business Resources saw how high Quality IT Partners was rated in the following categories:

- Employee Enrichment, Engagement and Retention
- Employee Education and Development
- Communication and Shared Vision
- Work-life Balance
