*The Ritz Kids Aquatic Goddess Program is inspired by the Ocean which invites children to unleash their imagination by being a mermaid at Ritz Kids pool*

DENPASAR, BALI, INDONESIA, January 16, 2019 /EINPresswire.com/ -- A family-friendly resort located on white sandy beach of Nusa Dua, The Ritz-Carlton, Bali offers a wide range of ocean-themed activities that appeal to all age groups. Happy children means happy parents, and with a dedicated club, Ritz Kids, young travellers can enjoy their own unique resort experiences, including access to the kids club and it's dedicated kids swimming pool.

The [Ritz Kids Aquatic Goddess Program](#) is inspired by the Ocean which the resort overlooks, and invites children to unleash their imagination by playing at being a mermaid for the day at Ritz Kids pool. The mythical mermaid is a symbol of kindness, love, and generosity and this is a wonderful opportunity for an afternoon of water-based fun, that allows a child to get in touch with her inner sea princess.

"At [The Ritz Carlton, Bali](#) we strive to create memorable experiences for all our guests, including children. The Aquatic Goddess program introduces a sense of adventure, as well as the excitement of making a dream come true," says GM Karim Tayach.

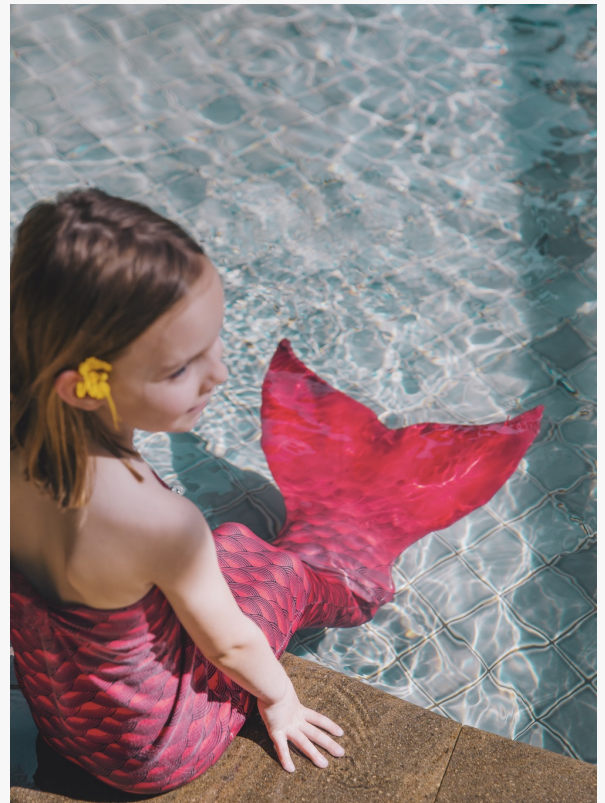

Mermaids need to sparkle, so the fun begins with beautiful face paint. The transformation is complete with a colorful costume that young ladies can splash around in at the Ritz Kids pool. Being a mermaid is thirsty work, so a refreshing coconut drink is also provided to keep our younger guests well hydrated.
