

Microexcel's CPG100+ is now SAP-qualified partner-packaged solution

This SAP certification recognizes Microexcel's capabilities to deliver solutions & services around SAP technology stack to address current need of CPG companies

SECAUCUS, NEW JERSEY, USA, January 16, 2019 /EINPresswire.com/ -- Microexcel®, a global provider of technology solutions and services, today announced the recognition of SAP® qualified partner-package solution for SAP S/4HANA® for its CPG100+ Solution. CPG100+ leverages SAP's Intelligent Suite to help consumer product companies achieve enhanced efficiencies and profitability.

CPG100+ is a preconfigured solution developed by Microexcel and powered by SAP S/4HANA to meet the needs of consumer product companies in the food, beverage, appliances, and durables products industries. Powerful and prepackaged for quick implementation, CPG100+ supports key business processes for finance, sales and marketing, supply chain, planning, warehouse management, production and distribution, and customer relationship management.

Speaking on the achievement, Abe Iruegas, Microexcel's SAP Global Practice Leader states "The highlight of this solution is that it is deployed based on a predefined scope, leveraging the use of pre-configuration, accelerators, methodologies, and tailored Microexcel services to help our customers run simple and realize a rapid time-to-value with reduced risk and a predictable outcome."

Consumer product companies are at the forefront of digital transformation and CPG100+ helps them evolve their business models, re-engineer processes, and enable a faster, simpler, and smarter enterprise which can create new revenue streams, tailor products to consumer needs and preferences. Maximize manufacturing output and minimize costs. For more information, please visit www.microexcel.com.
