

BlueStar SeniorTech Partners with CarePlus Home Health

Leading aging-at-home senior technology company extends product line to prominent Montgomery County, Maryland home care agency.

ROCKVILLE, MD, UNITED STATES, January 16, 2019 /EINPresswire.com/ -- BlueStar SeniorTech announced Friday that it has formed a strategic partnership with CarePlus Home Health, one of Maryland's leading residential home health agencies.

BlueStar's partnership with CarePlus is an opportunity to reach hundreds of new senior citizens throughout Maryland, helping them to live in an environment where they can age in place at home, with peace of mind.

BlueStar and CarePlus share similar visions: Empowering aging Americans to live and age comfortably inside their homes for as long as they are able – Safe, Healthy and Connected!

“

Like CarePlus, we treat our customers like family. We are excited to be partnering with a locally-owned company whose values mirror our own.”

Robert Wray*

“BlueStar is happy to be partnering with one of Montgomery County's best home care agencies,” said BlueStar SeniorTech CEO Robert Wray Jr. “Like CarePlus, we treat our customers like family. We are excited to be partnering with a locally-owned company whose values mirror our own.”

“Heather and I are especially excited to be partnering with BlueStar SeniorTech,” said Tom Najjar, founder and

president of CarePlus. “We are big believers in using technology to supplement a customer's overall home care experience. We are happy that BlueStar will find new ways to keep the families we serve age safely within their homes and stay connected with their loved ones.”

[About BlueStar SeniorTech](#)

Founded in 2013, BlueStar SeniorTech's mission is to help aging seniors, veterans and their family members age safely within the comfort of their homes. BlueStar began offering aging-in-place technology and other products to non-veterans in 2015 because of increased consumer demand. The company offers a combination of aging-in-place technology products and services to help seniors remain healthy, safe in their homes and connected with their loved ones. BlueStar is veteran-owned, and it is a certified Service-Disabled Veteran-Owned Small Business (SDVOSB). BlueStar is committed to hiring veterans, including disabled and wounded service members.
