

CAR LOVERS MEET STYLE AND FUNCTION IN THE NEW AUTOWIT MINICYCLONE CORDLESS HANDHELD VACUUM

CAR LOVERS MEET STYLE AND FUNCTION IN THE NEW AUTOWIT MINICYCLONE CORDLESS HANDHELD VACUUM

LOS ANGELES, CA, US, January 16, 2019 /EINPresswire.com/ -- Genhigh, the leader in innovative car accessories, unveiled its upcoming cordless handheld car vacuum the AUTOWIT MiniCyclone during the Consumer Electronics Show in Las Vegas, Nevada this month. The company has launched an Indiegogo crowdfunding campaign for MiniCyclone to give consumers an opportunity to get their hands on this cutting-edge vacuum before anyone else.

AUTOWIT MiniCyclone is designed to meet consumers' needs for efficient cleaning and chic styling. The sleek black and silver model boasts improved functionality with higher suction power with multiple attachments for various cleaning needs. The petite cordless handheld vacuum is small enough to store in your car yet powerful enough to use on heavy-duty jobs.

Autowit MiniCyclone

“

The Autowit MiniCyclone cordless handheld vacuum makes cleaning effortless and excels both in functionality and design. It will be a very competitive model in the market.”

Minming Gu

“We're excited to offer consumers an opportunity to get early access to the AUTOWIT MiniCyclone vacuum through our crowdfunding campaign on Indiegogo,” said Minming Gu, Co-Founder at Genhigh. “The Autowit MiniCyclone cordless handheld vacuum makes cleaning effortless and excels both in functionality and design. It will be a very competitive model in the market.”

Weighing less than two pounds, the ergonomic, sleek industrial design is also jam packed with features like a 7.2V/2000mAh battery that gives you over 15 minutes of uninterrupted battery life, straight air passages that

maximize vacuum efficiency, low noise levels, and outstanding 4200pa suction power.

AUTOWIT MiniCyclone is currently available for pre-order through Indiegogo starting at the super early-bird price of \$39. You can find the live campaign at
