

MiFinity launches eWallet on PaymentIQ

DUBLIN, DUBLIN, IRELAND, January 18, 2019 /EINPresswire.com/ -- DUBLIN, 18 January 2019 – MiFinity, a global payments provider, today announced that the MiFinity eWallet is available for all merchants using PaymentIQ. The revamped MiFinity eWallet presents a state-of-the-art user experience for consumers and competitive pricing for merchants. The MiFinity eWallet is a fast, simple and secure way for customers to perform transactions with multiple local payment options that support deposit, withdrawal and transfer functionality in different currencies.

“This deal is a major step forward for the MiFinity group. This is the first of many partnerships with a leading B2B platform provider, that will support the launch of its consumer eWallet to multiple brands via the one integration. We are truly excited about this partnership and the roll out of our consumer eWallet to these brands over the coming months. Our eWallet functionality will provide additional options to current providers and offer a different customer experience to consumers as we continue to grow and increase our market presence. This is a perfect example of what can be achieved with hard work and dedication to the cause...so watch this space for MiFinity eWallet activity in 2019 and beyond”, said Kieron Nolan, Chief Financial Officer, MiFinity

About MiFinity

MiFinity, a global payments provider, offers a range of cost-effective and efficient end-to-end payment solutions. It has more than 15 years of experience in the online payments space with a growing network of global partner relationships and a best-in-class, highly secure and regulated technology platform.
