SOUTH BEND, INDIANA, UNITED STATES, January 23, 2019

/EINPresswire.com/ -- Rankin Buys Houses purchases properties via a very simple process that consists of three easy steps. The first step is to call or to submit the information about the property the seller wants to get rid of. The second step consists in a person from the company visiting the property or in some cases even the seller sending pictures of the house. The final step is, after the approval of the company and them sending the seller an offer, the seller is free to set the date when he or she wants the house to be sold. At that date, the house will be paid in cash.
