

Join experts within Pharmaceuticals and Life sciences in just one week at Europe's Only Parallel Trade Conference

SMi presents its 13th annual Parallel Trade conference happening in just one week.

LONDON, UNITED KINGDOM, January 29, 2019 /EINPresswire.com/ -- The highly anticipated event provides the perfect platform for industry experts to come together and share perspectives on the practice of [parallel trade](#).

Parallel Trade 2019 event will hold a particular place of significance due to [Brexit](#) and the UK officially leaving the EU on the 29th of March 2019. As such, the UK will no longer be part of the EU free market; hence, having a significant impact on parallel trade.

Furthermore, the [FMD](#) (Falsified Medicines Directive) will be coming into effect in February 2019. This conference will give companies affected the perfect opportunity to discuss and consider the impact that the FMD implementation will have on their practices and on the market.

For this reason, SMi Group are delighted to host this conference taking place on 5th-6th February 2019 in London, which will be the only parallel trade conference in Europe, this event provides the perfect platform for industry experts from both sides of the coin to come together and share perspectives on the practice of parallel trade.

With just ONE WEEK to go ensure to register today at <http://www.parallel-trade.com/einpr5>

The two-day conference is a must-attend show for anyone involved in the parallel trade industry within pharmaceuticals and life sciences. Attendees will gain core information to further strengthen their industry knowledge and approaches.

The meeting will gather 90+ senior leaders in parallel trade to discuss upcoming trends and share best practices.

Parallel Trade 2019 will cover the important issues of:

- Patient safety
- Brexit's impact on parallel trade
- The falsified medicines directive
