SAN RAFAEL, CALIF., January 28, 2019  
/RussianRiverPR/ -- Moonflower  
Delivery has announced their new  
cannabis delivery service based in  
previously underserved Marin County.

Moonflower was created by a team of  
four passionate cannabis enthusiasts,  
Nico Spann, Danielle Spann, Alexa Wall,  
and Curtis Wall. Moonflower is an  
online dispensary that thoughtfully  
curates and delivers product directly to  
your door. They've tried every product  
and hand selected the finest quality  
the Golden State has to offer.

The co-founders are experts within  
their respective fields; farming, tech, compliance, fashion, retail, and business operations. With a  
combined 20+ years of experience in the cannabis industry, they look forward to bringing  
unique, high-quality products, and first-class customer service to Marin and Sonoma County.

Moonflower states, "We have seen how cannabis has benefited those closest to us, and in return,  
we have been inspired to spread our love for the plant, while making a positive impact within our  
community here in the North Bay."

They will be having their grand opening on Friday, February 1, 2019. Their hours will be from
