

CSA Balloons Now Offers Corporate Event Balloon Decor Across Canada

CSA Balloons now offers balloon decor for corporate events across Canada.

MONTREAL, QC, CANADA, January 29, 2019 /EINPresswire.com/ -- Promotion and Decoration In One

Balloons give a nice special touch to corporate events. They add an element which is lively, exciting, and fun. They create a positive atmosphere during your business' event. They can be held up by ribbons, in a variety of balloon arches, balloon walls, and even balloon ceilings!

When you order [custom balloons](#), you get a promotional tool and a decoration all in one! This simplifies your process for planning corporate launches and events. Personalized logo balloon decor can be delivered and installed at your event.

Balloon Decor Teams Across Canada

CSA Balloons has [professional balloon decorators](#) in most major Canadian cities. They can service your event in Montreal or in Vancouver - and in points in between.

Both multi-location and single location balloon installations are possible - with multi-unit operators relying on CSA Balloons for reliable execution of national programs. Multi-city events or simultaneous balloon delivery in several cities are all part of the balloon decor services offered by CSA Balloons.

Matching Your Balloons With Your Branding

Using custom balloons as a promotional tool is also a great way to ensure that your marketing item matches your company's unique branding. With use of the pantone color system, CSA Balloons can match your company's individual coloring.

If, for example, your business' colors are blue and white, the pantone color system employed by

CSA Balloons could match the shades used on your original branding and print your logo or message in your brand colours. Your promotional tools will be entirely consistent to your logo.

Latex-Free Custom Balloon Alternatives

Unfortunately, latex-related allergies are becoming more and more common, and certain companies and public spaces such as schools and hospitals are opting against latex balloons to preserve the health of the people who are there.

If latex allergies are a worry for you, you'll be happy to know that CSA Balloons also offers mylar, or foil, balloons. They are recyclable, are made from resistant foil, and are not known to cause any allergies. They also have a floating time of several weeks, which is a longer duration than that of latex balloons.

Effective and Versatile Marketing Products

Corporate events in need of decor can now benefit from these fun and effective, not to mention versatile, marketing products. [CSA Balloons, a qualified custom printer](#), provides these dynamic promotional tools for businesses of all sizes.

For your next corporate, go cost-effective and fun: use custom printed balloons - and get the decor done by a local professional - CSA Balloons.
