

# Afrobeat Artist-Producer to Globally Release One Song Per Month in 2019

*First Song, "See You Dance," Released Today by Billboard-Credited, Independent Music Label*

WASHINGTON, DC, UNITED STATES, January 30, 2019 /EINPresswire.com/ -- Highly acclaimed Afrobeat artist and producer [Ziggee Boy](#) is launching a campaign today to release one song each month this year.

The campaign, called the 12-in-12, will introduce (to music fans worldwide) 12 Ziggee Boy songs in 2019, the first of which is an uptempo Afrobeat single titled "See You Dance."

Ziggee Boy, a Washington, DC-area resident originally from Sierra Leone, wrote and produced nearly all songs being released under the campaign by independent label [Sky's the Limit Entertainment](#) (aka Sky).

Sky co-owner and Billboard charting senior producer Art Powell (aka Art The Great) says that the body work in this campaign is quite diverse. "The dozen songs in the 12-in-12 campaign showcase the immense talent that Ziggee Boy possesses. Ziggee is a gifted songwriter, producer, and engineer, which is a powerful combination in the music business," says Powell. Powell also serves as co-producer on several of the 12-in-12 songs.

According to Ziggee Boy and Powell, the campaign's songs fall into several music genres: Afrobeat, Dancehall, Afropop, and Urban Contemporary. The Sky duo also said that fans who listen to all 12 songs can expect to hear Ziggee's unique variety of vocal tones and strong sense of timing that draw them into replay mode (i.e., listening to Ziggee Boy songs over and over).

Available of all major digital music platforms
