

MonsterAds Streamlines Opt-Out Compliance with Ezepo

Ezepo integrates easily with MonsterAds existing platforms, providing an all-in-one solution for email marketing compliance.

SAN FRANCISCO, CA, USA, January 30, 2019 /EINPresswire.com/ -- MonsterAds, an elite performance based affiliate network has chosen Ezepo to manage their suppression lists and marketing opt-out compliance. With Ezepo, MonsterAds will be able to use a web-based, straightforward platform to ensure customers can safely unsubscribe from marketing lists. Global wide regulations are rapidly being written to make sure consumers have control over their marketing preferences, and Ezepo provides the best user experience in the industry.

"Ezepo was the perfect fit for our new affiliate platform since their technology was already fully integrated. We liked the simplicity of their interface, data options, compliance features and their wide knowledge of the email marketing industry. Ezepo will save us time and money while providing us with the advanced technology for opt-out management that we needed," says Francisco "Frank" Vigil, COO & managing partner, MonsterAds.

"MonsterAds is one of the most widely recognized brands in the performance marketing industry. For years we've been colleagues and we know the team at MonsterAds is packed with some of the most talented, smart, and professional people in the industry. We are very excited to announce them as one of our newest clients and be a part of their planned growth," says Laura Belzer, managing director, Ezepo.

About Ezepo

Ezepo LLC, based in the San Francisco Bay Area is an online platform that manages commercial email unsubscribe requests and marketing suppression lists. Ezepo is a complete solution for complying with worldwide opt-out regulations, such as the [CAN-SPAM Act of 2003](#), [GDPR](#), CASL and works with all email marketing platforms. Ezepo was founded by a team of industry veterans who are experts in online marketing. Ezepo has been widely praised for its simple-to-use features and smart advanced technology.
